

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

1-20. (Cancelled)

21. (Currently amended) A decoy comprising a three dimensional main body and a photograph containing animal features non-adhesively incorporated into said main body, wherein said photograph is screen-printed onto said main body.

22. (Cancelled)

23. (previously presented) A decoy according to claim 21, wherein said main body is formed from a flexible material.

24. (previously presented) A decoy according to claim 21, wherein a surface of said main body is embossed with animal features.

25. (previously presented) A decoy according to claim 21, wherein said animal features are selected from a group

consisting of ducks, geese, pheasants, deer, moose, antelope, squirrels and elk.

26. (previously presented) A decoy according to claim 21, wherein said animal features include an animal in at least one of a swimming position and a resting position.

27. (previously presented) A decoy according to claim 21, wherein said main body has an orifice and wherein said decoy further comprises a head having a flange which is insertable into said orifice.

28. (Currently amended) A decoy having a three-dimensional main body formed from plastic material and said main body having on its exterior surfaces a screen-printed photograph containing animal features, wherein said photograph contains corrections to allowing said photograph to be screen-printed onto said main body.

29-33. (Cancelled)
